Expert taxation advice –
turning challenges into
opportunities

At Nexia, we add value by providing specialist taxation solutions and effective business strategies that will build and protect your wealth.

Over time your business and personal circumstances will change - frequent and ongoing legislative changes, penalties for non-compliance, specific industry regulations and corporate governance can all present as challenges.

Nexia is a recognised leader in the field of taxation, employing some of the brightest minds in the industry. Experience, technical knowledge, ongoing training and global reach ensure we have the perspective, initiative and individual focus you need to stay one step ahead. Regardless of the size or complexity of the issue, we are well-resourced to present you with a range of options in meeting your tax commitments.

Nexia's talented Taxation team are highly experienced across a range of industries and businesses including public and private companies, foreign owned entities and family-owned businesses, trusts and partnerships.

We are refreshingly different. What some may view as a challenge, we see as an opportunity. Our proactive approach means we deliver innovative, tailored solutions to ensure you are not just up to date but well prepared to maximise new opportunities with strategies that cater for future obligations.

Our Taxation team delivers a full range of service offerings including advice on:

- Tax-effective structuring for small to medium sized businesses
- Group structuring and reorganisation (including tax consolidation)
- Acquisition due diligence
- Corporate and commercial tax planning
- Tax effective distributions by trusts, partnerships and hybrid entities
- Superannuation structures
